

Curling Clinic Open House

What we are Planning!

During the Curling Clinic Open House we will be hosting a Try Curling event. This session will consist of all areas of the game such as delivery, balance, sweeping, strategy, and fitness. Anyone who has never curling before will have a representative available to show you around and guide you through the steps of becoming a curler.

What to Bring!

Bring a family member, friend, or a co-worker. Bring the whole ball team if you want. But be sure to bring a clean pair of running shoes and some warm loose fitting clothing
