

Barry Norman Brown

November 21, 1946 - April 23, 2017

Barry passed away suddenly on April 23, 2017. He was born at Leamington Spa, England. Barry was predeceased by his father, Norman Douglas Brown. He is survived by his mother, Ellen Rosetta Brown, two brothers, Jeffrey (Cheryl) and Dennis (Laurie), nieces Amanda and Lindsey and nephew Shayne.

Barry worked at the Pacific Forestry Centre for 39 years. As he was growing up he loved to explore the banks of the Wapiti River, in northern Alberta with his dad and brothers, searching for dinosaur bones and fishing for grayling.

Barry was an avid curler all his life and held several awards from provincial playdowns in the 60s and 70s. He took an active part in organizing the mens leagues he played in. He played at the old Playland Curling Club and then moved on to Esquimalt where he played in the Mens League and the Sportsmen League. He never could understand how he was selected as the "Mr. Big" Award winner, but he earned it. In his retirement he played a lot of golf, and looked forward to the annual trip south to Bremerton. He loved to watch baseball and hockey on T.V. Once a week for the last 14 years all his buddies got together to play "Lamsie" at Barry's residence. Not much money was exchanged but a lot of laughs were had by all. Barry met with his retired associates for lunch every Wednesday and nothing could break the tradition that he looked forward to. He had a passion for plants and enjoyed watching his succulents bloom. He had a real concern for the environment and supported several worthy charities.

No service by request. In lieu of flowers donations can be made to the Victoria Hospice.

Benjamin J. Wilson

A Celebration of Life will be held at a later date.

Macc Parkinson

- April 20, 2017

Words from Gerry Lister.

It is with a sad heart that I inform you of my good Friend, Macc Parkinson's death! Macc was a friend of the Firefighters! He was accepted as an equal! A Number One Security Guard, he was instrumental in early detection of Fires when he was on Duty, not only reporting, but actually describing the situation to the responding units, but directing them in a few incidents that I was Assistant Chief! He made a difference!

Macc curled In the Firefighters Curling League and the Sportsmen Curling League! Macc golfed at Cedar Hill and Highland Pacific! He will be sorely missed by his curling and golfing friends, I'm certain!

He was at frequent visitor @ "Gerry 's World", and all our Family functions and dinners! Thanksgiving, Christmas, Funerals whatever! He was part of our Family! I'm rocked! No more sounding board, no more rides to the Hospital! We had fun, I loved the little Guy, with the big Heart! Lost for words!

The Frog!
